

Griffin Centre promotes positive change for vulnerable youth and adults with mental health challenges and/or developmental disabilities and their families. We are dedicated to delivering innovative services and developing creative partnerships that enhance lives and communities.

Griffin Centre is an accredited non-profit, charitable, multi-service, mental health agency providing flexible and accessible services to youth, adults and their families.

We offer a range of professional services including; assessment, service coordination and planning, individual, family and group counselling, specialized day/residential services and respite services.

We are committed to fostering positive change and a culture of respect, acceptance and safety for youth and adults with challenging needs so that they have a place to belong, and opportunities to build skills, confidence and connections to make the transition to a satisfying life.

We work in partnership with other organizations to assist or support individuals whose needs exceed the capacity of the service system.

We help over 2000 people each year to recognize their strengths, achieve their goals and improve their lives.

We are committed to integrity and accountability in all aspects of our work. Our strength is our staff and our diversity.

We nurture continuous learning, encourage leadership and value the contribution of staff, volunteers and supporters.

We work in partnership with other organizations to assist or support individuals whose needs exceed the capacity of the service system.
