

Mental Health and Addictions Acute Care Alliance

with H-CARDD and CAMH

**If you are an individual with a developmental disability,
and you have been to the emergency department
or admitted to hospital,
we want to hear from you!**

We are working on the **DD Pathways Project** —a new initiative aimed at improving experience and quality of care for people with developmental disabilities when they visit the hospital.

**Focus Groups are happening at CAMH on
Tuesday, February 20th and Wednesday, February 21st
in the afternoon and evening.**

Light snacks will be served and you will be compensated for your time.

If you are interested in talking to us, **please call or email:**

WHO WE ARE

This is a Toronto Central LHIN-funded collaboration between the Mental Health and Addictions Acute Care Alliance, the Health Care Access Research and Developmental Disabilities (H-CARDD) program, and the Centre for Addiction and Mental Health (CAMH).
